https://github.com/abhishekshirsath

Results-driven and detail-oriented developer with 2 years of experience in designing, implementing, and optimizing code. Adept at problem-solving and troubleshooting to ensure code robustness and functionality. Quick learner, adaptable to new technologies, and committed to continuous growth in the ever-evolving field of development.

EDUCATION

PIBM, Chinchwad Pune   *2021 - 2023*
Master of Computer Application | CGPA – 7.85

H.R.M. Rajgurunagar Pune   *2018 - 2021*
Bachelor of Computer Science | Score – 86.47%

WORK EXPERIENCE

Developer – Digitate, TCS   *Aug 2023 – Present*

- Led the end-to-end development of critical use cases, actively participating in requirements gathering, design, implementation, and testing phases.
- Successfully integrated use cases into the production environment, overseeing the entire deployment process to ensure a smooth transition from development to live operation.
- Collaborated with cross-functional teams, including DevOps and IT operations, to optimize deployment processes, reduce downtime, and enhance the overall efficiency of production releases.

Developer - TCS   *Dec 2021 – July 2023*

- Developed and maintained scripts for reduced processing time, improved accuracy and enhanced functionality.
- Collaborated with cross-functional teams to understand project requirements, design custom solutions, and deliver high-quality code on time.
- Debugging to identify and rectify issues, ensuring smooth and efficient script execution.

ACADEMIC PROJECTS

- Student Result System
- Hotel Management System

CERTIFICATIONS

- Java Programming
- Spring MVC
- Spring boot
- Hibernate

AWARDS & ACHIEVEMENTS

- Winner of a Battle with Code competition held by JSPM College Pune - *(2022)*

SKILLS & INTERESTS

Languages: HTML, CSS, C, C++, Java, Python

Frameworks: Spring MVC, Spring boot, Hibernate

Other Tech: MATLAB, Git, Junit

Interests: Video Games, Traveling, Cricket & Solving Rubik's Cube
